Please note the following:

1. The gym is now protected by the burglar alarm. You will no longer be able to walk through the gym without disarming the system.
2. An additional keypad has been installed at the entrance to the gym to use when entering from the main parking lot.
3. The new keypads operate the same as the previous keypads.
4. The old alarm code will be decommissioned in the coming weeks. We will be moving to individual codes under the signups section.
5. If you have any questions about accessing the building, please contact Nate Johnson.
