

Each member should carefully and prayerfully evaluate all potential nominees against the above list of requirements.

A committee of Deacons will collect the submitted nomination forms and compile a list of all those submitted who are on the eligibility list which will be posted outside the church office. This list is compiled by the Session from male communing members who at least minimally are not in open violation of any of the requirements for a deacon.

The Deacons Committee will then submit the list to the Session, which will have final authority to accept the slate and alternates list as presented or to alter it before it is adopted. Nominees will then be contacted to secure their consent to be a candidate and to participate in the required training program and examination by the Session.

All candidates will be required to attend the training. After the training, the candidates will be examined by the Session.

The final slate of candidates will be published in a bulletin insert with biographical sketches the week that the congregational meeting for deacon elections is announced. The election will be held by private ballot immediately following the morning service on the announced Sunday. Each member may vote for **nine (9)** or fewer men from the candidates.

The top vote-getters will be elected (provided they receive a majority of the eligible voters present).

In His Service,
The Session of Second Presbyterian Church

Reminder to Check In

Please remember to check the In/Out Board before you arm the security system at church. The In/Out Board is located directly across from the nursery/stairwell door. If you are using the church facility during off-business hours please let others know by signing in upon arriving and signing out when you leave. This will let others know when you are in the building so they will not arm the security system with you in the building and also when you have left the building so that others will not have to search the church to make sure that no one is in the building. False alarms cost the church money. Help us by checking in and out.

NOTE: Use of the facility by groups should always be scheduled through the church office.
