## LIFELINE CHILDREN'S SERVICES

Lifeline Children's Services want the children they serve to have forever families, but more than that, they want them to know the truth of the gospel. They say: "Our focus remains on an eternity with Christ for the child and the parent, and we believe a gospel-centered family is an amazing window to their salvation. Our desire is to come alongside Christian missional families with resources they will need to find and nurture their children, as they become disciples who make disciples."
