# Missionary of the Week

JUMPSTART is not a traditional prison ministry; this in-prison program is designed to help incarcerated men and women discover and live out God's purpose for their lives. Participants are equipped with the tools they need to break cycles of crime and addiction. Then, when release day arrives, their comprehensive model offers a clear pathway to success, including transitional support such as housing, transportation, employment, mentoring, access to professional services, and much more. This continuum of care approach, rooted in evidence-based practices, breaks the cycle of recidivism. JUMPSTART hopes to help many men and women and their families have a future greater than their past.
