

Second Presbyterian Mission Trip to England & Germany

General Information

Dates: May 1-11, 2020

Cost: \$1,700 + \$250 for meals

\$850 deposit due February 15; balance due March 31

This is an exciting trip for those who enjoy a fast pace and a full schedule. We'll be driving (in a large van) between five cities in England and then flying to Berlin, Germany to finish up. Lodging will be mostly in homes with a few hotel stays. Although some of the days' activities are yet to be determined (listed as "open"), most of these will be filled with some type of outreach. Outreach ranges from simple flyer distribution to engaging one-on-one conversations with strangers who need to hear the Good News. Flexibility is key. Another goal of this trip is get to know our missionaries better and build relationships with them, so that we can pray for them specifically and personally.
